Tips on Reading the Bible Daily

1. Start reading the Bible today -- there is no better time, and there's no reason to wait.

2. Set aside a specific time each day. Set your schedule and then stick to it. Mornings are great, but feel free to use any time that works consistently for you.

3. Read the Bible for the sake of learning, not simply to accomplish your next reading. Say a short prayer to God before you begin, asking the Holy Spirit to give you wisdom and understanding, then be refreshed by the words you read!
